Winter Break - No School				

On Monday nights, your homework is to select a writing prompt for that week and record your response in your Journal Booklet. You may choose any writing prompt from the calendar, but remember to write the title of the prompt at the top of your journal page. Your journal entry should be 3-4 sentences. Also be neat and don't forget your capitals and punctuation marks. Writing prompts should take no more than 10-15 minutes to complete.
